"After attending my first conference in San Antonio 2015, I knew I had to share the excitement and gained knowledge I endured after the conference. Before boarding my plane to Georgia, I texted each of my NP and PA contacts to tell them I finally found a clinical, evidenced-based conference that kept my attention. I had attended several other nationally known conferences where I would lose focus after a few hours of legislative talks, but this conference was different."

– SHARON P. WILLIS, MSN, NP-C

"For me, it was simple. I told my friends at work how amazing the Skin, Bones, Hearts & Private Parts programs are. I encouraged them to check one out, and I shared my SPIRIT code with them. I told them not only would they really enjoy and benefit from the CME and overall experience, but that both of us would earn \$100. I fully believe in the Skin, Bones, Hearts & Private Parts programs and always learn so much when I attend which is why I keep coming back".

– DANIELLE RATAZAK, MORRIS, IL
