LEARN MORE AT [SKINBONESCME.COM/SPIRIT](http://SKINBONESCME.COM/SPIRIT)

*"For me, it was simple. I told my friends at work how amazing the Skin, Bones, Hearts & Private Parts programs are. I encouraged them to check one out, and I shared my SPIRIT code with them. I told them not only would they really enjoy and benefit from the CME and overall experience, but that both of us would earn \$100. I fully believe in the Skin, Bones, Hearts & Private Parts programs and always learn so much when I attend which is why I keep coming back". - Danielle Ratazak, Morris, IL*

*"After attending my first conference in San Antonio 2015, I knew I had to share the excitement and gained knowledge I endured after the conference. Before boarding my plane to Georgia, I texted each of my NP and PA contacts to tell them I finally found a clinical, evidenced-based conference that kept my attention. I had attended several other National known conferences where I would lose focus after a few hours of legislature talks, but this conference was different. In fact, I enjoyed having my peers present information that was useful in practice. Once my friends, colleagues, and their friends heard my testimony, they wanted to see for themselves. It's been easy to get the word out. I even tagged my friends on Facebook. A practitioner on my team told me last month, she will never attend another conference!" - Sharon P. Willis, MSN, NP-C*
